

**MORGAN OFFSHORE WIND LIMITED AND MORECAMBE OFFSHORE WINDFARM LTD: PLANNING INSPECTORATE REFERENCE: EN020028**

**NOTICE OF PROPOSED CHANGES TO THE DEVELOPMENT CONSENT ORDER APPLICATION**

An application for a Development Consent Order (“DCO”) was submitted by Morgan Offshore Wind Limited (“Morgan OWL”) and Morecambe Offshore Windfarm Ltd (“Morecambe OWL”), (together, “the Applicants”), of Chertsey Road, Sunbury On Thames, UK, TW16 7BP and 4th Floor, 115 George Street, Edinburgh, Midlothian, Scotland, EH2 4JN under the Planning Act 2008 to the Secretary of State, C/O the Planning Inspectorate on 21/10/2024 and was accepted for examination on 18/11/2024 (“the Application”).

Notice is hereby given that the Applicants made a request to amend the Application on 8 August 2025 (“the Change Request”). The representation period for the Change Request will run until **17:00 on 12 September 2025**. This notice explains the Change Request and how you can respond.

**Summary of the Application**

The Application is for development consent to construct, operate and maintain, and decommission the Morgan and Morecambe Offshore Wind Farms: Transmission Assets (hereafter, “the Project”), comprising two electrically separate transmission systems connecting two nationally significant infrastructure projects - the Morgan Offshore Wind Project: Generation Assets and the Morecambe Offshore Windfarm: Generation Assets (together, the “Generation Assets”), in the east Irish Sea, approximately 30 kilometres from the northwest coast of England to the national grid, at Penwortham, Lancashire. Two separate development consent applications have been made in respect of the Generation Assets.

The Project comprises onshore and offshore infrastructure. The offshore elements of the Project are located in the east Irish Sea within English offshore waters (beyond 12 nautical miles (nm) from the English coast) and inshore waters (within 12nm) from the English coast). The onshore elements of the Project are located within the local authority areas of Fylde Council, Blackpool Council, South Ribble Borough Council, Preston City Council and Lancashire County Council.

The DCO would also authorise the compulsory acquisition of land, interests in land and rights over land, and the powers to use land permanently and temporarily for the construction, operation, maintenance and decommissioning of an offshore wind farm.

**Summary of the Change Request**

The proposed change request is being prepared in response to (i) a change in the B5410 road alignment affecting a proposed construction access and a proposed operational access and (ii) a reduction in the Order Limits as part of ongoing engagement with Blackpool Airport Operations Limited (‘BAOL’) and Blackpool Airport Properties Limited (‘BAPL’) (through Blackpool Borough Council as the main shareholder of BAPL) and with Lytham Town Trust, Fylde Borough Council and St Anne’s Football Club in relation to the use of Blackpool Road Recreation Ground. In summary the proposed changes are:

1. Relocation of Access TAT\_MGMC\_9 for both Morgan OWL and Morecambe OWL, Relocation of access OAR\_MGMC\_10 for Morgan OWL and the provision of an

additional construction access TAT\_MGMC\_9B for both Morgan OWL and Morecambe OWL;

2. Identification of Blackpool Airport operational access alignment through Work Nos. 10A10B, 12A12B and 14A14B;
3. Removal of operational access OAR\_MGMC\_3 from Squires Gate Lane into Blackpool Airport; and
4. Reduction to Order limits within Blackpool Airport (Work No. 13A13B), Blackpool Road Recreation Ground (Work Nos. 15A15B, 53A53B and 54A54B) and to the east of the Queensway (Work Nos. 16A16B), and the relocation of Access TAT\_MGMC\_7 for both Morgan OWL and Morecambe OWL, and the removal of operational access OAR\_MGMC\_6.

## Viewing the Change Request application

The Change Request documents, which include the Change Request Report, Change Request DCO, Change Request Works Plans, Change Request Land Plan, Change Request Book of Reference and further supporting information relating to the Change Request as detailed in the Change Request Report, can be viewed and downloaded free of charge from the Morgan and Morecambe Offshore Wind Farms: Transmission Assets project website [www.morecambeandmorgan.com/transmission](http://www.morecambeandmorgan.com/transmission).

The Change Request documents will be available to view online until at least 12 September 2025.

You may also access the documents online free-of-charge at the below locations, until at least 12 September 2025. Please check directly with the facilities to confirm their opening hours, as well as any bookings or registrations that might be required to access the documents digitally through the computers available at the respective locations.

Venue	Opening Times	Contact Number
St Annes Library 254 Clifton Drive South, Lytham St Annes, Lancashire, FY8 1NR	Monday, Tuesday, Wednesday, Friday and Saturday 9am-5pm, Thursday 9am-7pm. Sunday – closed.	0300 123 6703
